

## It's people that make for success.

Safety and health are essential to any success.

Working with large and heavy products in dynamic situations involves risks. We have to manage these risks together. This means that:

**We** take responsibility for our own safety

**We** prepare carefully, discussing risks and issues

**We** warn each other of dangerous situations

**We** bring unsafe work to a halt

**We** stick to agreed rules

### OUR GENERAL RULES:

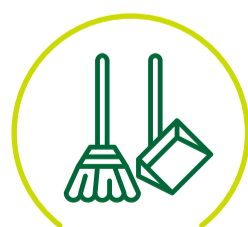

Wear a protective helmet

Use certified tools and equipment appropriately

Use and adhere to an LMRA

Keep the workplace neat and tidy

No mobile phone use during work activities

Not under influence of alcohol or drugs
